COMMANDER OF U-BOAT, VISIT-  
ING SPAIN, SAYS HE DE-  
STROYED 51 SHIPS.

## 3,000 PERSONS LOST LIVES

German Submarine Brings Au-  
tographed Letter From Kaiser to  
King Alfonso—Vessel Carried Hos-  
pital Stores for Tientsin.

Cartagena, Spain, June 24.—The  
German submarine U-35, which ar-  
rived in this port on Tuesday, sank  
the French liner Provence in the Medi-  
terranean a few months ago, with a  
loss of more than 3,000 lives, Com-  
mander Arnault said before the vessel de-  
parted.

Besides the Provence, 50 other An-  
gio-French ships have been sunk by the  
U-35 in the Mediterranean, mem-  
bers of the crew said.

Madrid, June 24.—The German sub-  
marine U-35 arrived on Wednesday at  
Cartagena. The officers disembarked and left for Madrid with  
a confidential letter to King Al-  
fonso.

The secretary of the German em-  
bassy at Madrid left immediately for  
Cartagena to receive an autograph let-  
ter from the German emperor, to King  
Alfonso, supposed to be thanks for a  
reception given to German ships from  
Kaiser.

The submarine first anchored along-  
side the international German steamship  
Rosa, but the port authorities re-  
quired her to move and take up  
anchorage near the Spanish cruiser  
Catalina.

The secretary of the German em-  
bassy arrived at Cartagena on a spe-  
cial train to receive the letter. Ac-  
companied by the German consul, he  
went on board the submarine and vis-  
ited the commander.

The submarine departed from the  
port shortly before daylight.

The newspaper says the diplo-  
matic representatives of certain for-  
eign governments have asked the Span-  
ish government for further particu-  
lars in regard to the visit of the  
U-35.

London, June 24.—A news agency  
dispatch from Cartagena says the Ger-  
man submarine U-35 left that port at  
three o'clock in the morning, traveling  
in an easterly direction. In addition to  
the autograph letter from Emperor  
William to King Alfonso the subma-  
rine brought hospital stores for the  
Germans interned in Spain.

The commander of the submarine is  
quoted as having said he had destroyed  
50 ships, including the French liner  
Provence, which was sunk in the Medi-  
terranean last February, while serving  
as a transport, with the loss of several  
hundred lives.

As the U-35 left Cartagena her crew  
gave cheers for Spain. The vessel  
was accompanied beyond Spanish wa-  
ters by Spanish destroyers, as it was  
reported allied warships were waiting  
for her.

Newspapers of Madrid stated last  
month that King Alfonso might in-  
stitute peace negotiations in the near  
future. The king entertained the  
Greek ambassador to Spain at dinner  
a fortnight ago, and a few days be-  
fore the dinner Emperor William re-  
ceived the Spanish ambassador to  
Germany.

## PUSH GERMANS BACK

TEUTONS REPULSED BY RUSS-

## MORE MEN TO EAST FRONT

Kaiser Rushes Six Divisions to Aid  
Austrians—Petrograd Says That  
172,484 Prisoners Have Been Taken  
to Date.

Petrograd, June 23.—The war office  
announced on Wednesday that the  
number of men captured by the Rus-  
sians in the offensive in Volhynia and  
Galicia up to Thursday of last week  
was 172,484.

The official announcement says that  
in a severe engagement on the Stok-  
hod river German troops which made  
an attack in massed formation were  
repulsed and took to flight.

The announcement continues:

"Desperate fighting continues in the  
region north of Gdansk, on the  
Styr. The village of Gruziatyn changed  
hands several times. Yesterday after-  
noon we entered the village and cap-  
tured 11 officers, 400 men and six ma-  
chine guns, but gusts of German ar-  
tillery fire compelled us to evacuate  
the town again.

"With furious persistence the Ger-  
mans operating in the region of Vo-  
lodynska, northwest of Kislina, under  
cover of heavy artillery fire, both light  
and heavy guns, made repeated  
attacks on the evening of June 20  
against our young regiments. Our  
troops, by impetuous attack, put the  
Germans to flight, taking nine machine  
guns and a number of prisoners be-  
longing to various regiments.

"At three o'clock on the following  
morning in the region of the village of  
Rajmiste, on the Stokhod river, north-  
east of Vorontschine, the enemy  
attacked in mass formation. The en-  
gagement became a hand-to-hand  
struggle, in which the Germans un-  
able to sustain our steady pressure, took  
flight, leaving in our hands wounded  
and prisoners not yet counted.

"Desperate fighting is in progress in  
the region of Kislina and farther  
south.

"On the extreme left wing we are  
still pursuing the enemy and have  
crossed the Sereth river.

"The total number of prisoners taken  
by General Brusiloff from June 3  
to 15 inclusive was 8,350 officers and  
189,100 men. We also captured 188  
machine guns, 159 howitzers, 119

to the Lusk-Kovel front. Four Ger-  
man divisions are being rushed into  
action on the 30-mile front from Brody  
southward to a point east of Przemy-

which crossed the Styr river west of

war office announced. Northwest of  
Lutsk the Russians strongly resisted  
the German advances.

"Near Gruziatyn the Russians lost  
about 1,000 men who were made pris-  
oners. We are also advancing south  
of the Turin.

With the Austrian rear guard closely  
engaging them, the Russians have  
crossed the River Sereth, the Austro-  
Hungarian office announced in its  
report of June 20.

In Enthusiasm Displayed and Stand  
Taken, Ohio—Harding as Tem-

Harmony Was Notable Feature.

By Claude C. Waltemire  
Editorial Association.  
Correspondent of the Ohio Republican

Columbus, O.—Keep your eyes on  
the good old Buckeye State this year,  
for the Republicans of the nation are  
looking toward Ohio to lead the fight  
in restoring the country to the Repub-  
lican party and Republican principles.  
No state occupied so strong a position  
in the National convention last  
week and Ohio made good.

The delegation was for Theodore  
E. Burton for the presidential nomina-  
tion, but when Ohio's favorite son was  
declared out by the majority of the  
delegates, Ohio took the lead in be-  
ginning a whirlwind campaign for the  
election of Justice Hughes.

Gov. Willis was one of the strong  
men of the convention. His speech  
nominating Senator Burton was con-  
ceded by all to be the strongest nom-  
inating speech of the week. He  
brought honor, not only to himself, but  
to his state. Immediately after his  
address, the governor led the demon-  
stration in behalf of Ohio's candidate;

the loudest and longest of the session.  
The newspapers of Chicago and other  
cities, regardless of their political af-  
filiations, conceded a prominent place  
to Ohio's governor and accepted him  
as one of the stalwarts of the country.

Chauncey M. DePew, from his seat  
in the New York delegation, said of  
Senator Harding's keynote: "It was  
one of the strongest political utter-  
ances of all time." Ohio was proud  
of her junior senator during the en-  
tire convention. He presided with dig-  
nity and precision and was loudly  
cheered each time he took up the  
gavel. The next session, after his de-
